Dear **PARTH CHAUHAN (2026COMCA0103),**

Congratulations!!!

On behalf of **MIT- Art Design & Technology University**, **Pune Maharashtra,** We are delighted to inform you that after a thorough evaluation of your performance in the interview process, you have been selected for the **Provisional Admission at MIT- Art Design & Technology University, for A.Y 2026-27**

You are selected for the MIT College of Management and Computer Applications in MCA : Data Science.

MIT ADT University is a Premier Multidisciplinary University in India, recognized for its commitment to academic excellence, innovation-driven learning, research orientation, and holistic student development. The University integrates art, design, technology, management, science, engineering, architecture, and liberal studies into a vibrant academic ecosystem that nurtures creativity, critical thinking, leadership, and professional competence. Our curriculum is industry-aligned, research-focused, and continuously updated to meet global standards and emerging societal needs.

Life at MIT ADT University extends far beyond classrooms and laboratories. The University offers a dynamic, inclusive, and intellectually stimulating campus environment, spread across a modern, eco-friendly infrastructure with state-of-the-art academic facilities, digital libraries, research centers, innovation hubs, hostels, sports complexes, and cultural spaces.

Students are encouraged to participate in interdisciplinary projects, internships, live industry assignments, research initiatives, cultural festivals, technical competitions, sports events, and social outreach programs, enabling them to develop both professional expertise and essential life skills.

The University strongly emphasizes student mentoring, global exposure, entrepreneurship, and employability, supported by experienced faculty, industry experts, international collaborations, and a dedicated career development cell. At MIT ADT, students experience a rich blend of academic rigor, cultural diversity, ethical values, and leadership development, preparing them to become responsible professionals and global citizens.

We congratulate you on your selection and look forward to welcoming you into the vibrant academic and cultural community of **MIT ADT University**. We are confident that your journey with us will be intellectually rewarding, professionally enriching, and personally transformative.
